## Keep Your Cool

The Yeti Roadie 24 is our favorite road-trip cooler. It's light but sturdy and well-insulated, can perch in the footwell of your vehicle to keep snacks chilled and within reach, and is tall enough to accommodate bottles of wine.

\$199.99, YETI.COM

## Grill On the Go

This handsome and lightweight portable gas-powered Kuchoma grill from Primus lets you spark it up and get straight to cooking, without having to worry about packing in and cleaning out pesky pans and skillets.

\$189.96, PRIMUS.US

## Board Certified

Prep and serve your meal with this compact kit that includes a sharp scaled-down chef's knife, an oak board that can serve as a plate, and washable case that expands your prep area and keeps it all tidy.
